

Northgate Energy - Role pack (fictional)

Programme: replace legacy procurement with SAP Ariba and S/4HANA 2023.

Scope: Guided Buying, Buying and Invoicing, Contracts, SLP supplier onboarding.

Integration: SAP Integration Suite (CIG successor) to S/4HANA Central Procurement.

Pain points: maverick spend 22 percent, invoice exceptions, slow supplier onboarding.

Team: 3 functional consultants, offshore build team in Pune, PMO in Manchester.

Go-live: phased, UK first in Q3 2027, then Ireland.

Hiring manager: Head of Procurement Transformation.
